Haus Konstruktiv

Haus Konstruktiv, the Foundation for Constructive and Concrete Art, was founded by private individuals in 1986. From 1987 to spring 2001 it was located at Seefeldstrasse 317 in the outer Seefeld area of Zurich and was known as the "House for Constructive and Concrete Art". It is now situated in new premises close to the centre of Zurich at Selnaustrasse 25, in a former power station. The foundation promotes "constructive, concrete, and conceptual art and design".

Schanzengraben Zürich

Schanzengraben is a moat and a section of the northwestern extension of the Seeuferanlage promenades that were built between 1881 and 1887 in Zürich, Switzerland. Schanzengraben is, among the adjoint Katz bastion at the Old Botanical Garden and the so-called Bauschänzli bulwark, one of the last remains of the Baroque fortifications of Zürich. The area of the moat is also an inner-city recreation area and, nevertheless, being officially a public park.
